## Songs and Rhymes!

### Cake Mistake

Mother made a  
birthday cake,  
For icing she used  
glue.

The children sit so quiet now,  
And-chew-and-chew-and-chew.

### Little Pig and the Dancing Wolves

Once upon a time when the moon  
was full a pack of wolves  
cornered a little pig as he dozed  
peacefully in his pen.

"We are going to eat you," said  
the wolves.

"Wait," said the little pig "you  
must first celebrate the full  
moon by dancing before you  
feast. It is tradition."

"Yes, little pig, you are right,"  
said the wolves.

Around and around little pig and  
the wolves danced.

"What wonderful dancers you  
are", said little pig. "But you  
could whirl and twirl much bet-  
ter if you stepped back just a  
few steps."

The wolves wanted to be able to  
whirl and twirl more so they  
stepped back just a few steps.

\*Repeat the two steps above as  
many times as you like until....  
This time when the wolves  
stepped back the little pig  
dashed into the barn and pushed  
the door shut.

To this day when the wolf looks  
at the full moon he thinks it is  
the pig's pen and he howls for  
the pig to come out again.

### A Bear in Tennis Shoes

The other day, I met a bear  
With tennis shoes, a dandy pair  
He said to me

"Why don't you run? If you must know I  
think it's fun"

So I did run , away from there  
and right behind me came that bear.

Ahead of me I saw a tree

A great big tree, oh golly-gee

The only branch was 10 feet up, I'd have  
to jump and trust my luck

And so I jumped into the air

But I missed that branch,  
a-way up there

Now don't you fret , now don't you frown

'Cause I caught that  
branch On the way back  
down

The moral is, no shocking  
news,  
Don't talk to bears in
